

Crystal Pools Take Home Three Awards at the Master Builders Australia Excellence in Housing Awards

At the end of last year, Crystal Pools took out three awards at the prestigious 2014 Master Builders Australia (MBA) Excellence in Housing Awards, including prizes in the Commercial Pools, Display Pools and Water Features categories.

The Winner of the Excellence in Commercial Pools category was the 25m-long Crown Pool at Top Ryde. The residents' pool features a fully tiled interior with timber deck surrounds and frameless glass fencing. The infinity edge spills over three sides of the pool and adjoining spa, incorporating year-round heating.

The winner of the Water Feature category was a rooftop water feature on top of the atrium in One Central Park in Broadway. Winner of the Display Home category is for a Metracon Display Home in Greenhills.

Congratulation to Crystal Pools who to date, have won over 120 major state, national and international awards to date.
